

BEYOND THE DIAGNOSIS

SEEING THE PERSON. SUPPORTING THE JOURNEY.

TOGETHER, WE
EMPOWER ABILITIES
AND CREATE
INCLUSIVE PATHWAYS
FOR A BRIGHTER FUTURE.

OUR MISSION

Beyond the Diagnosis empowers individuals with intellectual and developmental disabilities and their families through compassionate support, education, advocacy, and connections to trusted community resources—helping each person thrive through every stage of life.

OUR VISION

A community where every person with an intellectual or developmental disability is seen for who they are, every family feels supported, and inclusive pathways to belonging, opportunity, and a fulfilling life are available to all.

HOW WE SUPPORT FAMILIES

- Support following a new diagnosis
- Individual counseling and coaching for children and adults with IDD
- Family counseling, grief, and adjustment support
- Education, advocacy, and life-transition guidance
- Connections to trusted community resources

TOGETHER, WE EMPOWER ABILITIES
AND CREATE INCLUSIVE PATHWAYS FOR A BRIGHTER FUTURE.
